How to Order

Online wholesale ordering is available on my website. For online orders, please fill in the buyer registration request form on the main Wholesale page. Once registered, you will be able to create a login password to access the wholesale section of my shop.

You may also email orders to amymurrayadams@gmail.com. Upon receiving your order, I will send you a digital invoice for the total charges including shipping. Balance can be paid by e-transfer to amymurrayadams@gmail.com, by credit card using the payment link on the invoice, or by cheque. First-time orders must be paid before order is shipped/delivered. Subsequent orders may be paid within 30 days of placing the order.*
